WIDMER MODEL T-3

The T-3 Time Stamp is versatile, featuring high quality, clean, crisp imprints. It is compact and offers a wide variety of desirable features.

**Instant trigger operation – you just insert the paper.
Quick ribbon change – no mess.**

A new, open throat and finger indent case feature allows for greater accessibility. Documents of letter size or small tickets can be inserted with ease. The depth of the throat can be adjusted to allow a selection of imprint locations.

Stamping pressure can be electronically increased to penetrate through multi-part carbon and non carbon forms.

Inscriptions can be both above and below the time and date line.
